 <a href="#">Top Deck Tech Station - XL-ATX</a>	✓	✓	✓	✓⊗	✓		
 <a href="#">Half-Deck Tech Station - XL-ATX</a>	✓	✓	✓	✓⊗	✓	†	UltraATX
 <a href="#">Top Deck Tech Station - HPTX</a>	✓	✓	✓	✓	✓	✓	✓*
 <a href="#">Tech Tower Vertical Workstation (EATX)</a>	✓	✓	✓	✓		†	†

† Available upon [request](#)   \* See diagram below   ⊗ With slight overhang/blocked GPU fans on boards over 11" deep.

In general, motherboards **12" wide or less** (across the side with the I/O inputs) can use **any Tech Station model**. If your board is **wider than 12"** you'll need one of the **XL-ATX or HPTX Tech Stations**, or [contact us](#) about customizations.

\* For **SSI and other server motherboards** please read the important considerations on the next page:
